

### MULTI-COLOURED DUCT TAPES

These duct tapes feature a unique “soft” high-strength, high-tack adhesive that readily flows across rough and textured surfaces. The improved adhesive is even stronger than ever providing 20% more shear strength (holding power) than before for hanging poly sheeting and other challenging applications. Improved Nashua duct tapes feature cloth designed for superior strength and crisp, easy tear.

### UTILITY GRADE MASKING TAPES

General purpose masking tape for the building and paint industry. Ideal for minor home masking applications, light bundling, packaging, and labeling.

Clean removal adhesive, conforms well to irregular surfaces.

### 14 DAY PAINTER’S MASKING TAPES

Painter’s grade masking tape for a variety of surfaces. Interior and exterior uses to mask glass, metal, aluminum, vinyl, wood, and plastics.

Clean removal for up to 14 days. Excellent UV resistance. Designed to resist most moisture and solvents. Excellent conformability and shear performance. \*\*Not recommended for application on varnish or urethane finishes.
